The Owner is required to mow, water, weed, and edge the Lot at regular intervals and to maintain its Lot in a neat and well-groomed condition, consistent with the intent of the Restrictive Covenants and quality of the Subdivision. No building materials may be stored on a Lot, and any excess building materials not needed for construction and any building refuse will be promptly removed from each Lot.

If Owner fails to maintain its respective Lot, Declarant or the Association may, at its option and in its sole discretion, have the grass, weeds, and vegetation cut when and as often as the same is necessary, and have dead trees, shrubs, and plants removed from the Lot. Declarant or the Association may also, at its option and in its sole discretion, remove any excess building materials or building refuse situated on a Lot in violation of the Restrictive Covenants. The offending Owner or Builder Member of any Lot will be obligated to reimburse Declarant or the Association for the cost of such maintenance or removal upon demand.

17. Obstructive Landscaping at Intersections. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2' and 6' above the roadway will be placed or permitted to remain on any corner Lot within the triangular area formed by the street lines and a line connecting them at points 25' feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street lines extended. The same sight line limitation will apply on any Lot within 10' from the intersection of a street with the edge of a driveway or alley pavement. No trees will be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight line.

The Declarant, ARC, or the Association, may notify the offending Owner, in writing, of any offensive activity or other violation of this Covenant and the steps required by such Owner to correct the violation. If the offending Owner does not correct a violation and the violation continues, or does not remove the Pet or animal from the Lot (and Subdivision) upon written request made by the Declarant, ARC, or the Association, the offending Owner will be in violation of the Covenants and subject to:

H. any Fine imposed by the Association in accordance with the Declaration: and/or
